

# Milwaukee PVC Cutter Blade

## Replacement

RMW48-44-0405

### Details

The M12 Plastic Pipe Shear Blade is built to maximize blade life and productivity on the job. It's steep pierce-point leaves materials clean and burr-free, ready for installation. Made from rust-resistant stainless steel, the blade's reinforced cutting edge reduces blade chipping for extended durability. The M12 Plastic Pipe Shear Blade is designed to cut PVC, CPVC, ABS, BlazeMaster, PEX Tubing, Non-Metallic Conduit, and Rubber Hose. Use with the M12 Plastic Pipe Shear Tool (2470).
