

# Atlas Fit 451 Therma Fit Gloves

R770451

## Details

Get the job done with thermal protection. The Therma Fit glove features a flexible rubber coating with gray colored latex palm and fingertips for abrasion and tear protection. The wrinkled finish is excellent gripping action and the 10-gauge insulated seamless knitted terry cotton liner provides warmth in cold rooms or outside cold weather conditions. Meets ANSI Conductive Heat Resistance Level 3. Washable.
